ABOUT US

Tutto nasce nel 1979 in un piccolo spazio nel cuore di Monza, in Brianza, per merito di Mary Tornaghi. Dopo più di quarant'anni Tornaghi è un sicuro punto di riferimento per i gioielli made in Italy. Quattro monarca tra Italia e Svizzera con l'intento di promuovere un gioiello di qualità, al tempo stesso, classico, moderno e contemporaneo. La ricerca continua e l'utilizzo anche di materiali non convenzionali ridefinisce il concetto del gioiello, non più solamente come ornamento, ma come modo di essere e di presentarsi. Ogni gioiello in collezione ha una forte connotazione originale, è un oggetto spesso unico, da custodire e da indossare con naturale semplicità.

Established more than four decades ago, the Tornaghi brand started thanks to the passion of Mary Tornaghi. In 1979 she opened her first boutique in the heart of Monza. After working side by side with her husband for years, they were later joined by their son Andrea. As a gemologist, he now leads the company with the clear objective of quickly and enthusiastically approaching the digital era. The mission is to design unique products that are classic, contemporary and sensual at the same time. The Tornaghi brand takes great pride in every detail of the designs, from the selection of the precious stones to the meticulously hand-made craftsmanship. This process results in exclusive and everlasting pieces for those who appreciate that jewelry is as much a way of being, as it is a precious luxury.
